Dear NEBCOM Subscriber:

On December 31, 2003 Northeast Nebraska Telephone Company, the parent of NEBCOM, will assume direct responsibility for provision of your local telephone service, and NEBCOM will be dissolved. This change will not affect your basic local exchange service rates, there will be no carrier change charge, and there will be no interruption of service. There will be changes in rates for some optional services and nonrecurring service charges as listed on the attachment to this letter. Most of these changes will be reductions from current NebCom rates except for Plan 1 Station Wire Maintenance, Plan 1 Additional Listings, and the charge for insufficient fund checks. Any preferred carrier freeze you may have in effect for long distance service will remain in effect.

Service will be provided in accordance with the rates and terms contained in Northeast Nebraska Telephone Company's tariffs on file with the Nebraska Public Service Commission. Any subsequent changes will be in accordance with the Commission's rules and you will receive proper notification.

Northeast Nebraska Telephone Company will be responsible for any complaints you may have regarding services provided before or after December 31, 2003.

If an alternative local service carrier is available, you have a right to select that carrier instead of Northeast Nebraska Telephone Company.

If you have any questions regarding this notice, please call us toll-free at (888) 397-4321.

Sincerely,

A handwritten signature in cursive script that reads "Emory Graffis".
